

Student Accommodation

At present we do not have any facilities for student accommodation on site.

One of our clients, Mr John Mayer, runs a very relaxed and welcoming B&B on his working dairy farm just a few yards from the Practice. He is usually able to provide friendly relaxed and affordable accommodation. Contact us at the office for John's contact details.

An alternative option is to rent a room with one of our ET team members, Matthew Hiles. He has a large house in Whitchurch, about 3 miles from the Practice, and is very happy to offer room for rent on a very informal basis.

It is very important to note that your accommodation arrangements are entirely your responsibility. Please ensure that you take care to discuss terms and prices in advance of your stay.

If you are having difficulties sourcing appropriate accommodation then please call the Practice and we will see if we can be of further assistance.
