

Student Accommodation

Unfortunately we are not able to offer any facilities for student accommodation on site.

However, one of our clients, John Mayer, runs a relaxed and welcoming B & B on his working dairy farm very close to the practice. He is usually able to offer friendly and affordable accommodation. You can call John on 07967 830618.

There is an alternative B & B about 2 miles from the practice at Briar Cottage, Aston. Not quite as reasonable as John's but still a highly recommended place to stay. Further details can be found on their website.

Finally, there is sometimes an option to rent a room with one of ET team members, Matthew Hiles. He has a house about 3 miles from the practice and is happy to rent a room on an informal basis, if available.

It is very important to note that your accommodation arrangements are entirely your responsibility. Please ensure that you take care to discuss terms and prices in advance of your stay.

If you are having difficulties sourcing appropriate accommodation then please call the Practice and we will see if we can be of any further assistance.
